How can we develop a culture of prayer in our communities?

Prayer is both an activity and a way of living. Formal or informal, verbal or non-verbal; prayer is communication with God which can be expressed in a variety of ways and take a variety of forms.

This 3-day program offers participants the chance to deepen an awareness of prayer and explore ways of engaging young people and adults in diverse experiences of prayer including Christian meditation, contemplation and imaginative prayer techniques. Participants will uncover ways of leading and guiding prayer; building a culture of prayer within your community that draws on our rich Catholic tradition in ways that are relevant to today’s world. Participants will explore where prayer is situated within the learning structure of the renewed Religious Education Curriculum Framework.

Workshops will be tailored to the specific needs and interests of the participants in primary, secondary and parish community contexts.

Register for this activity on My PL (IPLS) via the CEVN website:
