### How can we make meaning of the contemporary world in light of the wisdom of the scriptures?

This program is designed to deepen participants' understanding of scripture so they can assist young people to find new ways to explore the bible and make meaning of the contemporary world in light of the wisdom of the scriptures. Participants will be encouraged to strengthen skills and dispositions for engaging with scripture through critical thinking, exegesis, dialogue, prayer, storytelling, biblio-drama and the visual arts.

Workshops will be tailored to the specific needs and interests of the participants in primary, secondary and parish community contexts.

### Register for this activity on My PL (IPLS) via the CEVN website

To support the faith formation of local teams, preference will be given to those registering as a group representing the parish/school community.

School staff can register on My PL (IPLS) via the CEVN website.
