Program

Catholic Education Melbourne has partnered with National Excellence in School Leadership Initiative (NESLI) to customise a Middle Leadership Program (MLP). This program aims to connect high-quality learning for leadership and impact on student learning within the values and beliefs of the Catholic context.

The program is focused on the effective execution of middle leadership and is therefore equally suitable for leaders intending to stay in the middle leadership tier, as well as those moving toward senior leadership roles.

Overview

The MLP is a blended development program that focuses on the critical dimensions of effective, collaborative leadership within the Catholic schooling context. The program employs an integrated learning methodology combining expert tuition, peer knowledge-sharing, practical workplace application, and guided thought and reflection.

This comprehensive multi-modal program is conducted over six to eight months. Program delivery elements include:

- VIA assessment (pre-course preparation)
- three full-day face-to-face workshops
- interactive online workshops
- coaching
- a personal leadership project.

The MLP is designed to be responsive to the diverse nature of our schools. It fosters growth for middle leaders within the context of self, team, school and the Catholic education system. More information about this professional learning program can be found on the [program brochure](#).

Please note that the course fee of \$2000 is fully funded by Catholic Education Melbourne
